A Message from Sheriff Vicki Hennessy

Last month, I visited the San Francisco Veteran's Hospital and while waiting for my meeting, observed a custodian who was focused like a laser beam on keeping the area clean. I struck up a conversation with him and learned that he is a veteran

who had participated in the San Bruno Jail's Community of Veterans Engaged in Restoration (C.O.V.E.R.) program.

Now in its eighth year, C.O.V.E.R. led by longtime veteran advocate Ron Perez, offers incarcerated veterans access to addiction treatment, housing and medical care. Without any prompting, the custodian credited C.O.V.E.R. with fast tracking his recovery from addiction and helping him rebuild his life.

Legacy of Service

We expect our men and women in uniform to protect and defend us from any and all security threats and danger, which they willfully do. When they return home from conflict, reintegration into society does not always come easily.

Many of our Sheriff Deputies also served in the military including three who are currently on active

duty. We are proud to have these Sheriff Deputies in our service.

We salute, honor and thank these men and women this Veterans Day for answering the call to duty and defending our nation.

Sincerely,

Vicki Hennessy
Sheriff
