

## NEW TRENDZ MEDIA MOTORSPORTS BROADCASTING CAMPS 2021

New Trendz Media will introduce Campers to the world of sports journalism. Campers will obtain various skills such as writing, on-air presence, television sports anchoring, editing, interviewing techniques, talk show hosting, sports research, teleprompter use, and working as part of a team. New Trendz Media's fun and educational programs will help students grow as people and to act as stepping stones to a professional career in sports journalism. Classes are taught by veteran radio and television producers.

All participants will be cast members of a 30-minute post-race show featuring highlights, interviews with NHRA drivers, pit crews, fans and team owners. Camp participants will be able to share their talents with their families and friends via YouTube.
